Dear Member,

Due to the large number of requests for reduced dues, we request that those asking for a reduction fill out the enclosed form. This will help us to fairly distribute assistance based on what our budget will allow.

Your information will be kept strictly confidential and will be limited to only two people; myself and the President, Lynn Helmer.

We will review your form and get back to you as soon as possible. We will decide what we can afford to give each family unit, based upon our budget and your need. We ask that if/when your financial situation improves, you increase your dues/tuition payments out of fairness to those who are paying the full amount.

We request that you continue to make at least partial payments while awaiting our determination, in order to prevent falling behind.

If you have any questions, please contact me.

Allison Harris, Financial Secretary
