

Each year we print a Community Directory, which is given out at the High Holidays. In addition to ads, we have three pages devoted to the listing of the names of our children, grandchildren, and memorials at a **contribution of \$10.00 per name. *Please note:* the listing is per name, not per family.**

**Please print clearly as we do not want any spelling errors.** We greatly appreciate your participation and thank you so much.

**Please respond by August 28,** our deadline to prepare for printing the Directory.
