

Dear CBTBI Family,

On June 4th, we will be having our End of the Year Dinner Dance honoring our past presidents. This affair will be fabulous with great food, dancing and laughter with good friends. **This is also a fundraising effort to assist our synagogue. Every single member of this congregation can help reach our fundraising goals to assist the Religious School and our children, building needs and demands, etc..**

What we are asking is that each family **create a basket** for the auction that reflects your family. Choose a theme. If it's a beach theme you could buy beach toys, a towel, sun lotion, a gift card for Nathans, a beach bag, etc. The baskets are fun to make and you will be helping the synagogue fundraising efforts.

Here are just a few examples of themes for your baskets:

Beach	Wine
Girls Night Out	Nuts over you
Kids	Day of Beauty
Tweens	Family Fun Night
Going off to college	Movie Lovers
Mexican	Baby Girl or Boy
Italian	Girls Just Wanna Have Fun

Jewish/Holidays

You can create a basket from a gift or several gifts you have received and NEVER used. I have two Waterford glasses that I can pair with a bottle wine and a gift card to a nice restaurant. ALL baskets require a theme, a gift card (bought from Judy in the office) or ask your favorite restaurant for a donation. NEW or NEVER used items related to theme. You can wrap the basket yourself with clear wrap or a clear wrap bag from the dollar store and add a bow. Write down all the items and their **retail** price (not the sale price) so that we can make a tag for your basket. Include the name of the family and your theme name. **The most clever basket will receive a 1st place ribbon for their family and a donation made in their honor to Alex's Lemonade. If you simply cannot wrap your basket call Marcy Kaufman at 610-639-1187 and I will wrap it for you and add your family name, no later than May 15.**

***Here is an example of a basket we made last year. Some items were gifts never used and some were purchased:
